

A BROAD-MINDED DOCTOR

RELATES SOME EXPERIENCES IN HIS OWN PRACTICE.

Believes in Recommending any Medicine That he Knows will Cure his Patients—Thinks Dr. Williams' Pink Pills a Great Discovery.

"AKRON, PA., April 24th, '96.
Dr. Williams' Medicine Co.:"

GENTLEMEN:—While it is entirely contrary to the custom of the medical profession to endorse or recommend any of the so-called proprietary preparations, I shall, nevertheless, give you an account of some of my wonderful experiences with your preparation, Dr. Williams' Pink Pills for Pale People. The fact is well known that medical practitioners do not as a rule, recognize, much less use preparations of this kind, consequently the body of them have no definite knowledge of their virtue or lack of it, but soundly condemn them all without a trial. Such a course is manifestly absurd and unjust, and I, for one, propose to give my patients the best treatment known to me, for the particular disease with which they are suffering, no matter what it is, where

J. D. ALBRIGHT, M. D.

or how obtained. I was first brought to prescribe Dr. Williams' Pink Pills about two years ago, after having seen some remarkable results from their use. Reuben Hoover, now of Reading, Pa., was a prominent contractor and builder. While superintending the work of erecting a large building during cold weather he contracted what was thought to be sciatica, he having first noticed it one morning in not being able to rise from his bed. After the usual treatment for this disease he failed to improve, but on the contrary grew rapidly worse, the case developing into hemiplegia, or partial paralysis of the entire right side of the body. Electricity, tonics and massage, etc., were given a trial, but nothing gave any benefit and the paralysis continued. In despair he was compelled to hear his physician announce that his case was hopeless. About this time his wife noticed one of your advertisements and concluded to try your Pink Pills.

"He had given up hope and it required a great deal of begging on the part of his wife to persuade him to take them regularly. He, however, did as she desired, and if appearances indicate health in this man, one would think he was better than before his paralysis.

"Why," said he, "I began to improve in two days, and in four or five weeks I was entirely well and at work."

"Having seen these results I concluded that such a remedy is surely worth a trial at the hands of any physician, and consequently when a short time later I was called upon to treat a lady suffering with palpitation of the heart and nervous prostration, after the usual remedies failed to relieve, I ordered Dr. Williams' Pink Pills. The result was simply astonishing. Her attacks became less frequent and also less in severity, until by their use for a period of only two months, she was the picture of health, rosy-checked and bright-eyed as ever, and she has continued so until today, more than one year since she took any medicine. I have found these pills a specific for chorea, or as more commonly known, St. Vitus' dance, as beneficial results have in all cases marked their use. As a spring tonic for any one, who, from overwork or nervous strain during a long winter has become pale and languid, the Pink Pills will do wonders in brightening

the countenance and in buoying the spirits, bringing roses to the pallid lips and renewing the fountain of youth.

Yours respectfully,
J. D. ALBRIGHT, M.D.
